School Bills "up" 30%

How the Increase can be met.

In sympathy with everything else, School Fees have "gone up." The charges at Eton used to be £165; now they are £200 per annum, and it is estimated that the average increase of School Bills over the pre-war standard has been anything from 15% to 30%.

The problem of finding the funds for this higher cost of Education is causing serious concern to parents. The increase is making it impossible, in many instances, for parents to send their sons or their daughters to the schools originally chosen.

There is a very simple solution to the whole difficulty if it is faced early enough. Do not wait until the school age arrives, but, by commencing to make deposits each year while the child is still young, guarantee his fees being available when they are needed.

For example, parent, age 35, deposits £64 18s. per annum (less income tax, saving at 3/- in the £ £9 14s.—net premium £55 4s.) for 13 years on behalf of his boy, now one year old. When the boy reaches the age of 14, £200 per annum will be paid the parent for five years.

Several points must be kept in mind when making such an arrangement :—

(1) The Policy must enable income tax to be saved on the annual premium.

(2) Provision must be made that in the event of the father's death no further deposits are needed, but the Company will contribute instead an annual amount towards the child's preparatory education.

(3) In the event of the child's death before the policy matures, the parent or another child should be able to benefit.

(4) Facilities should be given for the Policy to be kept in force if at any time the annual deposit cannot be paid promptly.

All these advantages can be obtained through the Educational Policy of the Sun Life of Canada.

Larger deposits secure a correspondingly greater return. Smaller deposits—smaller returns. Adjustments can be made for different ages, different amounts or different terms of years. You can make a single deposit, five deposits, ten deposits, whatever number of deposits you like; satisfatory arrangements can be made to suit each individual case.

Here, then, is the ideal way of providing for the boy's education which relieves you of one great responsibility. It shields your boy against circumstances which might otherwise deprive him of a good education.

Why not make immediate enquiries? No obligation is incurred. The information is willingly given and only good can come of the enquiry.

ENQUIRY FORM—or Letter will do.

Crossley

CARS have long been recognized as amongst the finest motor cars in the world. They have consistently held a splendid reputation for mechanical excellence and reliable service.

There are two Crossley models for 1922—the 25 30 h.p. R.F.C. Model and 19·6 h.p. Model. The former is famous as the car which gave magnificent service on every battle front with the R.F.C. later the R.A.F. It is a strong sturdy car capable of long service under the most exacting conditions.

The 19·6 h.p. Crossley is a smaller car which has won great favour. It is fast and lively on the road, completely reliable, extremely flexible, accessible and economical. Every owner of a 19·6 h.p. Crossley is more than satisfied with his car.

Full details of both models gladly sent on request.
